IMPORTANT NOTES FOR PARTICIPANTS

This event continues to grow with more and more vehicles expected annually and as such safety continues to be our number one priority. For this reason we need to impose some restrictions to ensure safety of all patrons. While these restrictions are not designed to make the event more difficult, non-compliance may see future Car Shows abandoned.

Safety is our FIRST priority: Hurstville SES assists the Lions with ground control. This means that the SES has authority to direct vehicle movements throughout the park. All participants **MUST** adhere to any directions from either the Lions Club or SES personnel. Failure to do so will result in immediate exclusion from the park and refusal for all future events. NSW Police will be on site to assist in ensuring the safety of all attendees.

Register your Vehicle: Registration forms will be distributed to all entrants as they enter the park. Registration is not mandatory but if you don't register then you won't be eligible to win a prize.

Park Entrance: Car show entrants can **ONLY** enter the park via Boatwright Avenue, Lugarno.

Entrance Times: The entrance at Boatwright Ave will open at 7.30am on the morning of the event. For safety reasons all participants must be on the park by 10.00am.

Entrance Fee: \$10 per vehicle will be charged for access to the car show area. 100% of the money raised will be donated to charity. Thank you in advance for your understanding and support.

Driving on the Park: Safety is our FIRST priority. Errat Any vehicle driving in an unsafe manner or failing to comply with directions on the park will be reported to the Police on duty, will be immediately escorted from the park and will be refused entry to any future events.

Exiting the Park: The Car Show finishes at 1.30pm. All entrants will be expected to remain on the park until that time. If any vehicle needs to leave the park before 1.30pm the driver **MUST** comply with the following Emergency Exit instructions.

EMERGENCY EXIT: In the event of an emergency or if a vehicle needs to leave the park before 1.30pm it **MUST** be escorted off the park by a Lion or a member of the SES. It is a safety requirement that drivers **MUST NOT** drive through the park unescorted. If you need escorting off the park, please see the Lions in the Car Show tent and immediate arrangements will be made.
